

Welcome to Wright State University and University College, your academic home. Having chosen Wright State University, you are embracing the vision of this institution which is to produce creative, innovative citizens of the world. You have positioned yourself to be in the right place, at the right time to give birth to new ideas. University College stands ready to assist you in becoming part of the next generation of scholars, inventors, and entrepreneurs. How?

First, University College has a nationally recognized First Year Experience which includes Freshman Convocation, the Common Text, Learning Communities and service-learning opportunities. Second, University College has excellent, professional academic advisors to assist you with transitioning into the college or major of your choice. Third, University College has the Student Academic Success Center which provides Tutoring Services free of charge to freshmen, a math learning center, a writing center and supplemental instruction to ensure high academic achievement.

University College links you, a new scholar, discoverer and learner, to the total university community of learners that includes faculty in engineering, business, nursing, medicine, liberal arts, science and math, and education; graduate students; and fellow undergraduate students. You, in collaboration with faculty as your teachers and mentors, will become the scientific, technological, political and creative leaders needed to advance our society.

Hold academics as your number one priority during your time at Wright State University.

Dr. Anita Curry-Jackson, Dean
University College
