## WEAPONS OF MASS PSYCHOLOGICAL DESTRUCTION

Endeavour Rooms A&B  
Wright State Student Union  
Thursday, January 21, 7:00 p.m.

Please join Wright State University Libraries and the Friends of the Libraries in welcoming Larry C. James, Ph.D. and Terry L. Oroszi, M.S. as they discuss their new book, *Weapons of Mass Psychological Destruction and the People Who Use Them*. Learn about the science and psychology of WMPD in relation to chemical, biological, radiological, nuclear, and explosive weapons – including why a terrorist chooses a specific type of a weapon. Who becomes a WMPD terrorist and why? The authors will discuss interviews with terrorists at Guantanamo and Abu Ghraib and the events of the Boston Marathon bombing. Discussion will include prevention strategies that can decrease the likelihood of an attack.

Free and open to the public, no registration required. Refreshments will be provided. Questions? Please contact University Libraries at 937-775-2380 or email [marketing@libraries.wright.edu](mailto:marketing@libraries.wright.edu).
