

Information about the Graduate Application Open House Fee Waiver

November 7, 2024 Graduate Programs Open House

- There is no graduate application fee waiver code. Your fee waiver will automatically be posted to your account when you submit your application.
- You **MUST** check in at the Graduate Programs Open House event to receive the fee waiver. The graduate application fee waiver is linked to your check-in at the event. If you did not check-in at the front table before entering the event, the fee waiver will not be attached to your submitted application.
- The graduate application fee waiver will be active for 30 days after the event. Please submit your application prior to the fee waiver expiration date (by December 7, 2024).
- Please Note: After you submit your graduate admission application, you may see a notification that you owe an application fee. **This is temporary.** Please allow a few minutes for the fee waiver to appear in your admission portal.
