

## Proposed Student Evaluation of Instruction

[COURSE INFORMATION BLOCK GOES HERE]

**Instructions to Student:** Wright State University asks you to be aware that student evaluations of teaching may be influenced by students' unconscious and unintentional biases. Please approach this evaluation the same way you would expect your own work to be reviewed:

- Focus on your evaluation on the content and delivery of the course and your learning experience; the most valuable feedback for instructors is related directly to your learning experience in class.
- Be thorough, thoughtful and constructive.
- Please answer all of the questions.
- Comments based in the form of insults or based on stereotypes, personal appearance, or personal characteristics are not appropriate.

**Part I** Likert Scale Questions. Students will have the options of numeric answers: 1 strongly disagree; 2 disagree; 3 neutral; 4 agree; 5 strongly agree; N/A

1. I put forth a good effort in this course.
2. Expectations for performance were clearly communicated throughout the semester and on the syllabus.
3. The course content and class activities were well organized.
4. Assignments and activities effectively contributed to my learning.
5. Overall, I had a good learning experience in this course.
6. I received clear and timely academic feedback from this instructor.
7. Material was presented in an engaging and effective manner.
8. Instructor created an inclusive environment that supported my learning.
9. I felt like I could express my opinions and actively participate in this course.
10. Instructor used the full class period, beginning and ending class on time.
11. Instructor was responsive to email (within 2 business days).
12. Instructor was available via office hours for assistance.

### II. Open-ended Questions [text boxes]

13. Comment on any of your responses above.
14. Briefly describe what was one of the most important things you learned in this course.
15. Suggest way(s) in which this course could be improved (if any).
16. Describe an assignment or activity that was most beneficial to your learning.
