What do Departments **NOT** Need to Do?

- Departments who do not have any modifications to their undergraduate academic programs (associate/bachelor's degrees) do NOT need to submit Program Modifications to update their Core listing in the Catalog. The Registrar's Office is doing this for them.
- Departments who do not have any modifications to their undergraduate academic programs (associate/bachelor's degrees) **AND** whose GPS plans are accurate do NOT need to submit GPS Modifications to update their Core listing in the GPSs. The Registrar's Office will do this for them.
 - This process will begin AFTER the catalog program updates are completed.
 - Note: any GPS Curriculum forms already submitted are being held until later in the fall semester.
- The Registrar's Office will also update each 2025 uAchieve Degree Audit with the new Core. This process will take place last, with the goal of completion by June 1, 2025.

What do Departments Need to Do?

- If they currently have a course in the Core, and do not need to change anything except the objectives/outcomes, they fill out the Core Transition Form in Curriculog/Curriculum. **Due to the Oversight Committee by November 1, 2024**
- If they currently have a course in the Core, and need to change something about the class besides objectives/outcomes (such as course description, prerequisites, etc.), they fill out the Course – Modify v2 Form in Curriculog/Curriculum. **Due February 1, 2025**
- If they currently have a course at WSU but it's not yet in the Core but they want it to be, they fill out the Course – Modify v2 Form in Curriculog/Curriculum. **Due February 1, 2025**
- If they wish to introduce a new to WSU course into the Core, they use the Course – New v2 Form. **Due February 1, 2025**
- As should be done every year, Departments should:
 - Review the **2025-2026 DRAFT Academic Catalog** content on their COLLEGE page, accessed here: <https://catalog.wright.edu/>
 - Send text (not curricular in nature) updates to wsu-registrar@wright.edu by **April 1, 2025**.

Course Descriptions

- Carefully review:
 - Program Description (required)
 - Program Accreditation (optional – only for non HLC additional accrediting information) - If your program has its own accreditation, do you have a Program Accreditation section? See example at: https://catalog.wright.edu/preview_program.php?catoid=25&poid=22510&returnto=1312
 - Program Admission Requirements (optional)
 - Program Learning Objectives (*Students enrolled in this program will learn to:*) and Program Learning Outcomes (*As a result of their learning experience, graduates of this program can:*) (both are required, use a bulleted list for each)
 - State Authorization Reciprocity Agreement (NC-SARA) (only required for those applicable programs). Standard text:
 - *This program prepares students to be eligible to apply for a professional license to practice in the state of Ohio. Students planning to work in other states or countries should contact the relevant state licensing board in the state where you plan to work before beginning the program. SARA does not provide reciprocity for state professional licensure requirements. Academic programs and the program graduate must meet standards set by the*

licensing board in a state in order for the graduate to be eligible for a license in that state.

- Other optional sections:
 - Honors Program
 - Career Opportunities
 - Facilities
- For More Information (required)
 - This area is standard on all programs and will give hyperlinks to the program website, department/school website, and college website
- Send text (**not curricular in nature**) updates to wsu-registrar@wright.edu by **April 1, 2025** for any of the above sections.
- Review existing GPS plans. Create GPS plans for those programs (associate/bachelor's) that do not currently have one. **Submit by April 1, 2025.**
