

JOINT NCBP & CARDIO-RENAL INSTITUTE SEMINAR

## FACULTY CANDIDATE

# UNEXPECTED ROLE FOR SENSORY RECEPTORS AND GUT MICROBIOTA IN RENAL PHYSIOLOGY

TIME

**10:00 AM**

WEDNESDAY

**12 FEBRUARY 2025**

**NEC AUDITORIUM**

Discover groundbreaking insights into how sensory receptors and gut microbiota influence renal function in unexpected ways.

**JIAOJIAO XU, PHD**

RESEARCH ASSOCIATE

SCHOOL OF MEDICINE | JOHNS HOPKINS UNIVERSITY
